HARBOR HERRINGBONE INDOOR-OUTDOOR DINING TABLE, 2 CARTONS

ITEM #51235

The Harbor Herringbone outdoor dining table is made from a solid mahogany frame with an intricate herringbone patterned top in a cerused wheat finish. This dining table also features an intricate but coordinating twisted oatmeal weaved trestle leg base with a solid wood stretcher insuring maximum stability. Solid wood will continue to move with temperature and humidity changes, which can result in cracks and uneven surfaces, adding to its authenticity and character. Suitable for both indoor and outdoor use.
