PARASOL RECHARGEABLE ACCENT LAMP, WHITE MARBLE

ITEM #30904-1

A tapered white marble base showcases subtle natural variation and a softly luminous appearance, paired with an antique brass metal coolie shade and coordinating accents. A touch dimmer on the base provides effortless brightness control, while the integrated 3000K LED system casts a warm glow and offers up to 50,000 hours of illumination. As with all natural stone, variations in color and pattern make each piece unique.
