## **UTTERMOST**

## **CIRCLET FRAMED PRINTS, S/2**

ITEM #41622

Transitional in style, these framed prints add just enough color to a neutral space. Classic blue, aqua, light gray, and taupe are used in the watercolor style artwork. Each print is accented by elegant triple white matting with spacers and a naturally finished pine wood frame under glass. Artwork by June Erica Vess.

**Dimensions:** 31 W X 31 H (in)

Weight: 44
