MONTANA TRAY

ITEM #R18026

The Montana Tray showcases the clean expanse of gray travertine, then adds a rustic flare with steel handles finished in an acid-etched bronze. Creating displays of your favorite objects, or organizing spices and oils in a centralized location, are just a few of its many uses. Due to the porous characteristics of this natural stone, acidic items and constant moisture should be avoided.

Dimensions:	24 W X 3.5 H X 15 D (in)
Weight:	27
