REVELATION

TONG, 2 LT SCONCE

ITEM #R22606

The Tong Sconce has two light antique brass-finished pivoting arms supporting a round tapered hardback white linen shade with wide self trim bottom and acrylic diffuser. Includes dual mount option allowing for portable or direct wire installations. For portable installation we include 3-12" removable metal antique brass cord covers, 8' of clear wire, & plug. It can also be wired directly to an outlet box as a sconce. Holds 2-40 watt max candelabra sockets and the rectangular back plate has a rotary dimmer built in.
