MULTIPLE PERSONALITY WRITING DESK

ITEM #R22932

The Multiple Personality Collection is a creation of beauty, function and flexibility - designed to fit various spaces and lifestyles. Each piece can stand alone or be added together to create the perfect work space or display. Crafted of Trembesi wood (a native to Indonesia known for its dramatic variation in grain and color). A deep walnut stain creates richness and depth and is complemented with metal details in a gold powder-coat finish. The Writing Desk features three privacy sides suspended by gold-finished clamps. Choose to set the desk parallel or perpendicular to an Etagere display (sold separately) to customize the space.
