WHITE LINEN 3 DOOR CABINET

ITEM #R22945

The classic white linen shirt inspired the gorgeous texturing of the softly rounded panels on the White Linen Cabinet. Three doors covered in grasscloth have a white satin lacquer finish providing a luscious and cleanable surface. Dramatic solid brass pulls and metal door frames have a bronze finish. The body of the cabinet has heavily brushed quartered American white oak with a natural-tone finish and white ceruse. Both compartments have two adjustable shelves and access for wire management.
