## HAVEN SOFA, OTTOMAN - WHITE

ITEM #R23550

A modern combination of style and ease, the modular Haven sofa offers the perfect place to lounge. Foam topped arms over the hardwood frame offer superior comfort, with extra side cushions to soften the look. Seat and back cushions are filled with a blend of fiber and down feathers for an unstructured relaxed appearance. Fully upholstered in a crisp white polyester blend fabric with a protected finish that resists soiling and stains. For optimal comfort and appearance, frequent re-alignment and fluffing of down cushions is necessary.
