JESS MEDIA CONSOLE

ITEM #R24930

Constructed from oak veneers and solids, this media console showcases a modern two toned finish combination of a rich charcoal black and mushroom gray tones, suspended by a unique aged iron framework adding an urban flair. Perfect for use under a TV, as a sideboard, or as the focal point of a room. Each side features cabinet doors with an adjustable shelf, with one center drawer for storage, and an open area with wire management. Solid wood will continue to move with temperature and humidity changes, which can result in small cracks and uneven surfaces, adding to its authenticity and character.
