ENLIGHTEN CONSOLE TABLE - BLACK

ITEM #R25210

The Enlighten Console Table is a functional table and a dramatic lighting focal point. It is a beautiful and unique console for a small space or grouped side-by-side in a hallway. A steel base with a blackened finish supports a lighted alabaster top. Lighting levels adjust with a dimmer switch located on the side of the table. Holds two 25 watt Type A bulbs (not included). We suggest using an 8 watt LED bulb to create a more dramatic effect.
