## BRAZIL BAR CABINET

ITEM #R25282

Influenced by the buildings of Brasilia, the capital of Brazil, this cabinet's architectural grid artfully camouflages two large doors with gold-finished tapered pulls. The interior houses a five-row wine rack, nine-bottle holder, storage drawer, open storage, a wide serving space and a mirrored back. The cabinet, made of hard wood and reclaimed teak veneer with a wire brush ceruse finish, appears to float on four tapered steel legs in gold finish.
