LET IT DROP CABINET

ITEM #R25356

This classically proportioned cabinet is beautifully detailed with the finest classical elements and updated with modern finishes, wood textures, and unique custom hardware. Made of American white oak, the body has a walnut color ceruse satin lacquer finish. The three doors have fluted wood panels set in a mitered pattern with a matte white finish that showcases the overscale brass finished hardware. The four columns, six tapered legs, and top edge detail are made of solid brass. Three doors open to one adjustable shelf. The size and access are perfect for electronics making it useful as a media cabinet, buffet, console, or the focal point of any beautiful room.
