## SETON FLOOR LAMP

ITEM #R28186

Simple yet sophisticated, this floor lamp features a large marble slab with natural striations of grays, beige and ivory, displayed on a thick iron base finished in a plated oxidized dark bronze. The rectangle hardback shade is a beige linen fabric with natural slubbing. Due to the authentic nature of the stone, each will vary in color and have a presence of multiple cavities that originally housed fossilized shells.
