SCAFFOLD TABLE LAMP

ITEM #R30032-1

The Scaffold Table Lamp is made of steel and beautiful grey and beige unfilled travertine. Architecturally-inspired steel columns and arms are finished in acid bronze and support a hardback linen-like shade in light oatmeal. Ultimate light control is achieved using a rotary dial that floats in the center of the lamp between the steel columns.

Dimensions:	17 W X 26.75 H X 17 D (in)
