BUBBLING UP TABLE LAMP

ITEM #R30033

This modern lamp design was inspired by 19th century gas lights. The clean metal base holds a solid bubbled crystal column. The decorative key switch is a functioning rotary dimmer providing ultimate light control. Finished in rich brass, it has a hardback drum shade covered in textured white cotton.

Dimensions:	18 W X 32.75 H X 18 D (in)
