

REVELATION

FORMATION TABLE LAMP

ITEM #R30046-1

The Formation Lamp looks like nature sculpted a piece of rock using only running water. This beauty has been made of ivory man-made stone, and rests on a simple antique brass base. Delicate feet were added for cord control and an oval tapered linen hardback shade finishes the look.

Dimensions:	18 W X 29.5 H X 10 D (in)
