## HEADLIGHT TABLE LAMP - BRASS

ITEM #R30077-1

An accent light with two personalities. When faced in the front, a light glows through an alabaster diffuser. When turned to the back, a star-like light projects through the acid etched dome. The light source rests on a gracefully tapered brass-finished stem that transitions into a scooped metal base with feet. An in-line dimmer provides optimum light control.

**Dimensions:**

8 W X 34.5 H X 10 D (in)
