BLOCKHEAD GOOSENECK MINI LAMP - BRONZE

ITEM #R30096-1

Laugh at the name, but these mini lamps are no joke! Their classic details make them perfect for locations throughout the home: book shelves, side tables, intimate table for two. The smart, white tapered shade contains a self trim detail. The goose neck in acid bronze finish allows the light to extend into its glow. The white alabaster base cleverly contains a rotary dimmer on top and the four feet allow optimum control of the black twisted fabric cord.
