PIVOT FLOOR LAMP - PANDA MARBLE/BRASS

ITEM #R30119-1

A beautiful cylinder of panda marble holds a long brass-finished arm that can pivot 270 degrees. Clean light emits from the drum shade in a white faux linen. Additional brass-finished details include a ridged dimmer on the socket, and a plate base with four feet for cord concealment. Due to the nature of natural stone, each piece will vary in color and veining, including shades of black, white and green.
