

REVELATION

BLACKSMITH TABLE LAMP

ITEM #R30138

A black marble granite with leather-like finish suspends a cast iron body with forged texture. The rectangular tapered shade is softened with rounded corners. The finial gives the illusion the metalwork continues through the shade. A fabric-covered braided cord is the perfect final touch to this French countryside look.

Dimensions:	17 W X 32.25 H X 10 D (in)
