ILLUME DRINK STAND - TRAVERTINE/BRASS

ITEM #R30222-1

The sleek and minimalist design of the Illume Drink Stand is perfect when you need a lot of light but have limited space. Finished in light antique brass, a column of beige travertine rests atop a metal base at the perfect sitting height to rest a beverage. The LED light is provided on a squared post that pivots 180 degrees to allow the lighted arm to be multi-directional. A rotary dimmer, located on the interior side of the travertine column, controls illumination. The LED light is an integrated light system - no bulb required. Produces 50,000 estimated hours of illumination.
