## ILLUME FLOOR LAMP - MARBLE/BRONZE

ITEM #R30225-1

The sleek and minimalist design of the Illume Floor Lamp is perfect when you need a lot of light but have limited space. Finished in dark bronze with Arabescato marble resting atop a metal base, the squared post pivots 180 degrees to allow the lighted arm to be multi-directional. The post is built to a height for reading by a sofa or chair and contains a rotary dimmer on the arm. The squared marble base can be easily rotated and tucked discreetly out of the way. The LED light is an integrated light system - no bulb required. Produces 50,000 estimated hours of illumination.
