WANDERFUL RECHARGEABLE TABLE LAMP

ITEM #R30624-1

A rich, mocha-colored Michelangelo marble base has natural gold and white veining and a metal plate and feet in a light antique brass finish. A 90-degree wand ends with a drop of downward light that can be controlled with a touch dimmer on the base. This rechargeable lamp is great as a task light or perfect anywhere a power outlet is not accessible. No bulb required; the integrated LED light system produces up to 50,000 hours of illumination. Due to the nature of marble, no two lamps will be identical.
