STATUESQUE TABLE LAMP - LATTE ONYX

ITEM #R30640

While each lamp shape is identical, expect each latte onyx's coloring to be unique. The light antique brass collar and base accentuate its sleekness, the reflector finial amplifies the light, and the white linen round tapered hardback shade completes the look with a 2" trim. Perfect for high ceilings or a low sofa, the Statuesque Lamp is going to get looks wherever it goes.
