LIGHT ME UP FLOOR LAMP

ITEM #R30823-1

This sleek and minimalist design is perfect when you need a lot of light but have limited space. Unfilled beige travertine base and lower column receive metal buttons and ring details finished in light antique brass. The post pivots 180 degrees to allow the lighted arm with diffuser to swing either direction. The post is built to a height for reading by a sofa or chair and contains a rotary dimmer on the arm for light control. The LED light is an integrated light system - no bulb required. Produces 50,000 estimated hours of illumination.
