BERET FLOOR LAMP - LIGHT ANTIQUE BRASS

ITEM #R30828-1

A latte onyx capsule base suspends the circular disc top, that emits a soft glow through the bottom acrylic diffuser. Adjust the brightness of the LED light through the top's finial. All metal accents, including the round metal base with feet for cord management, are finished in a light antique brass. No bulb required; the integrated LED light system produces up to 50,000 hours of illumination. Due to the nature of onyx, no two lamps will be identical.
