CURVE APPEAL FLOOR LAMP

ITEM #R30832-1

An oval tapered foot of Arabescato marble rests on a metal base and extends upward in a curved silhouette. The LED capsule arm features a touch dimmer, all metal finished in light antique brass. With its gentle curve and standing at 43 inches high, it's the perfect lighting option for a seating. No bulb required; the integrated LED light system produces up to 50,000 hours of illumination. Due to the nature of marble, no two lamp bases will be identical.
