DARE 2 BE SQUARE ACCENT LAMP

ITEM #R30839-1

A geometrically lighted sculpture. LED light glows from the underside of both rectangular tops. Artfully arranged, the rectangles seem to suspend on opposite sides of a block of Michelangelo marble. Metal finished in a light antique brass, also includes feet and a dimmer on the base for the ultimate lighting control. No bulb required; the integrated LED light system produces up to 50,000 hours of illumination. Due to the nature of marble, each piece varies and ensures yours is unique.
