TABLE FOR TWO TABLE LAMP

ITEM #R30845-1

This lamp will have you seeing double. Perfect for a library, desk, or table for two. Featuring a base of latte onyx with two carved trays, it can function for extra storage. A channeled detail runs the perimeter of the book-like metal column, finished in brown-bronze. The two linen lamp shades soften the upward light with acrylic diffusers, while the dimmer switch provides additional light control. Due to the nature of onyx, no two lamps will be identical.
