## NIGHT LIFE FRAMED CANVAS

ITEM #R32251

James Kerr, a Contemporary Abstract Artist living near Stratford upon Avon, England, first began as a decorative painter for London's leading interior designers. He honed his craft and use of color, paint and materials, and has since built an enviable reputation for gutsy abstracted work. James uses abstract shapes, blocks of color, along with thick layers of impasto paint, to create unique, colorful and dimensional art. "Night Life," a replicated canvas available exclusively at Revelation, is framed in heavy brushed white oak with a matte black finish.
